

## **WOOD AND WOOD PRODUCT SOURCING POLICY**

We, 'Spoton Coatings Private limited', India's largest release paper and release film manufacture Indian organization; aims to become a global supplier for our product in the global emerging market. We have enhanced our pillars of competitiveness, ethics, sustainability, QHSE Compliance, while also improving economic and social conditions of the organization. As an organization, we are committed towards social impact and strive for sustainability across every function, including sourcing and procurement.

In line with our commitment, we have developed a wood and wood product sourcing policy, which is an extension of our values and is applicable to applicable suppliers.

Through this policy, we intend to make our operations more sustainable by having sustainable raw material in our product. It's our responsibility to conserve natural resources and support a sustainable environment as documented in our Sustainable Procurement Policy and Code of Ethics & Professional Conduct.

Our core business has no direct involvement with wood mills and original sources of harvest, however we ensured that reasonable and collaborative efforts to develop resources and systems to meet and maintain our goals in promoting our shared sustainability initiatives are taken from our vendors who are global leaders in supplying the paper (i.e. starkraft, UPM, APP etc) and having sustainability certification like FSC and PEFC.

We are committed to strives to source wood-based products (Paper) in a sustainable manner and align our business practices with supply chain partners who share that commitment.

Sustainable procurement performance improvement is a continuous process and recognizes the contribution of our suppliers in our journey to become more sustainable.

Various policies including Supplier Code of Conduct, Employee code of conduct is available in our website for review. External interested parties can contact us directly if found any breach against our policies and also, they can provide their feedback for further improvement at [info@spotoncoating.com](mailto:info@spotoncoating.com)
