ENVIRONMENT POLICY

We, 'Spoton Coatings Private limited', India's largest release paper and release film manufacture Indian organization; aims to become a global supplier for our product in the global emerging market. We have enhanced our pillars of competitiveness, ethics, sustainability, QHSE Compliance, while also improving economic and social conditions of the organization.

In line with our commitment, we have developed a Environment Policy, which is an extension of our values and is applicable to applicable interested parties and society.

- ✓ Comply with all applicable legal and other requirements, environmental legislations, regulations and requirements of the organization.
- ✓ Strive to continually improve the environmental performance.
- ✓ Lead, promote and maintain environmentally responsible practices for the benefit of our interested parties in which we operate by supporting pollution prevention and reducing waste.
- ✓ Optimize the use of natural and other resources.
- ✓ Be always alert and equipped to respond to emergencies and disasters by having an updated emergency response plan.
- ✓ Equip employees with the awareness, information, instructions, and supervision skills needed forenvironmental management by various means of trainings and tool box talks.
- ✓ Identify and maintain the processes needed for effective implementation & continual improvement of the environmental management System.
- ✓ We are committed to:

Communicate this policy to all relevant interested parties by various means like display at ourorganization and make it available in our website.

Reduce the process waste by range of 0.33% to 0.40% as annual (for different waste - continuous process) by taking the objectives with effective objective plan and keep monitoring it for continual improvement.

Effective utilization of our resources like water, electricity and gas by having objectives of 2% annual reduction (continuous process) in consumption with effective objective plan and keep monitoring it for continual improvement.

Effective disposal of our process waste by selling it to the authorized recyclers considering life cycle perspective.

Top management and EHS HOD will be responsible for effective compliance of the policy. The policy will be reviewed periodically by them as per defined QHSE system, also revised if required. Our website shall refer for latest updated policy.

Various policies including Supplier Code of Conduct, Employee code of conduct is available in our website for review. External interested parties can contact us directly if found any breach against our policies and also, they can provide their feedback for further improvement at info@spotoncoating.com
